

**The Boston Foundation gratefully acknowledges the following donors who contributed to the annual campaign for the Civic Leadership Fund from July 1, 2017 – June 30, 2018. Their gifts allowed the Foundation to serve as a think tank and advocacy organization, publish research into the most important issues of our time and bring people together to exchange ideas and inform public policy. We thank them for their generosity and support. In the coming year, we invite you to join the community of donors who make this critical work possible.**
