

# QUARTERLY INVESTMENT UPDATE December 31, 2025

The Boston Foundation offers four investment pools to Donor Advised Funds. These four pools allow donors to customize their asset allocation by investing among these pools. The Balanced Plus Pool asset mix is expected to produce the highest long-term investment return. Accordingly, the Boston Foundation invests the majority of its endowment assets in the Balanced Plus Pool.

### MISSION FIRST POOL OVERVIEW

The Mission First Investment Pool will be invested to advance The Boston Foundation's mission of building a better Boston and closing the gaps on the region's greatest disparities. This Pool is expected to generate financial returns lower than market rate but will specifically be managed to achieve net positive returns. Currently this Pool is invested in the Vanguard Federal Money Market Fund and its first mission related investments are expected to be made in 2026.
