2026 Gala

RISE TOGETHER

The Asian Community Fund Gala is the largest annual gathering of Asian American and Pacific Islander (AAPI) leaders, partners, and supporters in Massachusetts. We are delighted to celebrate the region's most prominent leaders and allies and help amplify AAPI visibility, representation, and narrative change.

“

There has never been a more important moment to invest in AAPI leadership and representation, and the Asian Community Fund is meeting that moment with intention and impact. Throughout my career I have been focused on improving health and that is achieved through people and communities, a conviction shared by ACF.”

DESSERT RECEPTION

Welcome Letter

from ACF Leadership

Asian Americans and Pacific Islanders are among the fastest growing and most diverse racial groups in our region, contributing billions of dollars to the Massachusetts economy. Yet, our community has long been marginalized and overlooked.

Between 2019 and 2023, **just 0.34% of all U.S. grantmaking went to AAPI communities.** With this alarming pattern of underinvestment, it is no wonder that our community's needs have long gone ignored by data, policy, and representation alike.

This gap and opportunity is what brought ACF into being. In 2020, a group of dedicated community leaders came together and asked **what it would take to build something lasting**—a fund that could carry AAPI visibility, leadership, and power in Massachusetts far beyond any single moment of crisis.

Today, we feel the weight of a familiar moment. We see the vilification and scapegoating of communities that have always been part of the fabric of this country, alongside **real threats to the essential services and rights** that so many of our families depend on. Asian Americans know this pattern well; we have lived at the intersection of hyper-visibility and invisibility, seen and unseen

depending on what is convenient. Once again, we choose to answer with action, solidarity, and unwavering resolve.

Tonight, as we gather once more under the banner of Rising Together, we commit to fostering a **permanent home for AAPI leadership, philanthropy, and belonging**—one that will support our community for generations to come. We hope you will join us in advancing a more connected and inclusive Massachusetts—choosing visibility in the face of erasure, and community in the face of isolation. Together, we will keep rising.

Sincerely,

Paul W. Lee

About the Asian Community Fund

The **Asian Community Fund at the Boston Foundation** is the first and only philanthropic fund in Massachusetts dedicated to activating, convening, and supporting the Asian American and Pacific Islander (AAPI) community. Launched in 2020, ACF is a permanent resource designed to galvanize and unite the diverse ethnicities within the AAPI community, incubate new partnerships, and build a stronger advocacy voice.

ACF anchors vital community coalitions including the Asian Business Empowerment Council, the AAPI Arts and Culture Collaborative, and the AAPI Mental Health Collaborative. Together, we are working to elevate AAPI leadership and achieve belonging and prosperity for all who call Massachusetts home.

Keynote Speaker

Mazie K. Hirono

U.S. Senator
State of Hawaii

Mazie K. Hirono was elected to the Senate in 2012, becoming Hawaii's first female senator and the country's first Asian-American woman senator. Throughout her career, Hirono has fought on behalf of Hawaii families and communities whose voices are not often heard in Congress, working to protect and build upon the progress generations of Americans have fought to secure.

In the Senate, Hirono is a leading champion for women's rights and reproductive freedom, voting and civil rights, the Native Hawaiian community, sustainable communities, and early education. In 2021, Senator Hirono introduced the COVID-19 Hate Crimes Act, legislation signed into law to help communities combat the rise in anti-Asian hate and violence.

Hirono serves on the Committees on Armed Services, Energy and Natural Resources, the Judiciary, Small Business and Entrepreneurship, and Veterans' Affairs. She is also Chair of the Armed Services Subcommittee on Readiness and Management Support, where she is leading the fight to modernize military infrastructure in Hawaii and across the country.

Born in Fukushima, Japan, Hirono was nearly eight years old when her mother brought her and her siblings to Hawaii to escape an abusive husband and seek a better life. Hirono served in the Hawaii House of Representatives from 1981 to 1994 and earned a reputation as an advocate for consumers and workers. After being elected as Hawaii's lieutenant governor in 1994, Hirono led the creation of Hawaii's Pre-Plus Program to expand access to quality, affordable early education. In 2006, voters in Hawaii's second congressional district elected Hirono to serve in the U.S. House of Representatives, where she served three terms before being elected to the Senate.

“

The Asian Community Fund was created to be a permanent resource for our community, a permanent platform for our voices, a permanent launchpad for generations of leaders.”

JULIE KIM

President & CEO
Takeda

Julie Kim is president, chief executive officer (CEO) and representative director of Takeda. She was elected by shareholders and appointed by the Board of Directors in June 2026. She joined the company in 2019 through the acquisition of Shire and held several executive-level roles, including president of the Plasma-Derived Therapies Business Unit and president of the U.S. Business Unit before becoming CEO-elect in 2025.

Julie is leading Takeda into its next era to make an expanded impact on the lives of patients and bring increased value to its shareholders. The company is launching multiple new products while advancing the most robust pipeline in the company's history and transforming itself through advanced technology to operate with speed and growth.

Prior to Takeda, Julie held roles of increasing responsibility at Baxter, Baxalta and Shire spanning global, regional and country-level roles across a variety of therapeutic areas and markets. Her global outlook, a result of having worked and lived in many countries and regions, including the U.K., Switzerland, China's Hong Kong and the U.S., has helped her foster diverse teams to enable inclusive decision-making that keeps the patient at the center.

A committed community and industry leader, Julie was appointed by the Mayor of Boston to the Board of Trustees of the Boston Public Library, one of the most iconic and respected institutions in the city. She also serves on the board of the Pharmaceutical Research and Manufacturers of America (PhRMA), leading the International Committee, and is a member of the Council of Korean Americans.

Julie holds an MBA from the J. L. Kellogg Graduate School of Management at Northwestern University and a bachelor's degree in economics from Dartmouth College. Julie splits her time between Boston and Tokyo, where Takeda is headquartered.

DR. ANANTHA CHANDRAKASAN

*Provost & the Vannevar Bush Professor
of Electrical Engineering and Computer
Science*
Massachusetts Institute of Technology

Anantha Chandrakasan is MIT's provost and the Vannevar Bush Professor of Electrical Engineering and Computer Science. He served as dean of MIT's School of Engineering from July 2017 to June 2025 and as the Institute's inaugural chief innovation and strategy officer from January 2024 to June 2025.

Reporting to MIT's president, Chandrakasan is the Institute's chief academic and budget officer. In his role as provost, Chandrakasan also oversees the MIT Office of Innovation and Strategy (OIS), which includes the following initiatives: the MIT Health and Life Sciences Collaborative (MIT HEALS), the MIT Generative AI Impact Consortium (MGAIC), the MIT Human Insight Collaborative (MITHIC), MIT Initiative for New Manufacturing (INM), and the MIT Quantum Initiative (QMIT). MIT OIS also includes the MIT-GE Vernova Energy and Climate Alliance and the Tata-MIT Alliance; Chandrakasan serves as co-chair of both alliances.

Chandrakasan is the executive senior advisor to the MIT Climate and Sustainability Consortium (MCSC) and co-chair of the MIT-IBM Computing Research Lab, which he founded. He also serves as board chair of The Engine.

Chandrakasan earned his bachelor's (1989), master's (1990), and doctoral (1994) degrees in electrical engineering and computer sciences from the University of California, Berkeley.

IN MEMORIAM: RENEE INOMATA

Our beloved Steering Committee member and dear friend Renee Inomata passed away on December 1, 2025. Her leadership, strategic insight, and steady guidance helped build the fund into a permanent platform for AAPI philanthropy and steward the launch of the Asian Business Empowerment Council.

To commemorate her visionary leadership and service, we are proud to announce the naming of the **Renee Inomata Business and Nonprofit Mentorship Program** in her honor. Her impact will continue to shape our community for years to come.

OUR STAFF

The Asian Community Fund has a dynamic team of five full-time staff members working to elevate AAPI leadership and representation. Please reach out to learn more about opportunities for collaboration.
