

The Boston Foundation thanks all of the organizations and individuals who made generous contributions in support of our civic leadership work last year. With their backing, the Foundation continued to play a critical role in promoting affordable housing, strengthening K-12 education and community colleges, increasing college completion rates through Success Boston, improving our criminal justice system and extending the power of the arts to all of our city's neighborhoods. Below are the names of those who contributed to the Civic Leadership Fund from July 1, 2015 through June 30, 2016. We hope you will add your name to this list of respected civic leaders in the coming year.

## The Civic Leadership Fund at The Boston Foundation

We invite you to join the community of donors who make it possible for us to publish cutting-edge research, hold public forums and convenings, conduct strategic grant making, form task forces and coalitions, and engage in deep public policy work. For information about how to give, go to [www.tbf.org/civicleadership](http://www.tbf.org/civicleadership), or contact Thomas Bentley, Manager of the Annual Campaign, at 617-338-1778 or [thomas.bentley@tbf.org](mailto:thomas.bentley@tbf.org).
